What is the insurance policy that Windsor Brokers provides to its clients?

About Windsor Brokers · https://maintest.windsorbrokers.com/knowledge-base/about-windsor-brokers/what-is-the-insurance-policy-that-windsor-brokers-provides-to-its-clients/

Windsor Brokers is taking all necessary steps to ensure that clients' funds are safe. A high level of security is provided to our clients with an insurance coverage of up to $5,000,000. This insurance is an arrangement by which a company aims to safeguard its liabilities against Clients by providing a coverage against errors, omissions, negligence, fraud and various other risks that may lead to financial loss. In addition, all client funds are kept in segregated bank accounts meaning they are 100% separated from the company's own funds so in the View Insurance Certificate. More information is available on our website .
