How can I create an ‘Investor Password’ on the MT4?

Trading Platform · https://maintest.windsorbrokers.com/knowledge-base/trading-platform/how-can-i-create-an-investor-password-on-the-mt4/

- Log into the MT4 platform,
- Click on ‘Tools’,
- Click on ‘Options’,
- Select Server (Real or Demo). You can find your server on your WB Portal or App under Account Details.
- Click on ‘Change’,
- In the Current password field, type your Master password,
- Tick the ‘change investor (read-only) password option
- Type your new password
- Re-enter the NEW password in the ‘Confirm’ field,
- Click on ‘Ok’,
