To activate the Interest Program, you need to meet a few simple criteria and follow the below steps:

1. Fund Your Account: Make sure your trading account is funded. Only clients with funded accounts are eligible to activate the Interest Program.

2. Achieve Gold Status: Ensure that your trading account has reached at least Gold status in the WB Loyalty Program. This status is achieved by closing the minimum required lots for Gold status.

3. Activate the Interest Program: Log in to your WB Portal, navigate to the 'Loyalty Program' section. Here, you will find an 'Activate' button for the Interest Program. Click this button to start earning loyalty points on your net equity.
