# When does my status change?

Loyalty Rewards · https://maintest.windsorbrokers.com/knowledge-base/loyalty-rewards/when-does-my-status-change/

Your Loyalty Status is automatically updated at the start of each calendar month. This update is based on the total number of closed lots you have accumulated by the end of the previous month. For example, if you meet the required number of closed lots for a higher status by the end of June, your new status will be reflected from the beginning of July.
