How can I open a new position?

Trading · https://maintest.windsorbrokers.com/knowledge-base/trading/how-can-i-open-a-new-position/

To open a new position:

- From the trading platform select the financial instrument, then go to Tools and select "New Order", the order window will open
- Select the Order Type
- Select the Parameters
- Submit your order by clicking the order execution buttons.

If you are using One Click Trading, simply click on the Bid (Sell) or (Ask) Buy on the top-left corner of the chart making sure you are on the right instrument.

You can refer to our educational videos available on the Portal under "Tools" - "Education".
