If you are already registered with Windsor Brokers, you can use your account number as provided on your WB Portal and your registered password to login to any MT5 platform.

Simply launch the MT5 platform and follow the below steps:

Go to the ‘navigator window' and Right-click on the “Account” option.
Click on “Login to Trade Account”.
Enter your Trading ID (Windsor Brokers Account Number) and registered Password.
In the ‘Options’ window, go to the ‘Server’ tab. You can find your server on your WB Portal or App under Account Details.
