# Is Copy Trading free?

WB Copy Trading · https://maintest.windsorbrokers.com/knowledge-base/wb-copy-trading/is-copy-trading-free/

Windsor Brokers offers the service for free, however, you can expect to compensate the Provider that you follow in the form of Performance Fees. Providers set their own Performance Fees for each strategy they provide. The final payment is then calculated based on the percentage % of profits generated from your copied trades. Note that you will only pay Performance Fees if the Provider’s strategy was successful.
