Can I enable an existing MT4 account to become a WB Copy Trading Provider?

WB Copy Trading · https://maintest.windsorbrokers.com/knowledge-base/wb-copy-trading/can-i-enable-an-existing-mt4-account-to-become-a-wb-copy-trading-provider/

Yes. To become a WB Copy Trading Provider you must use an existing trading account. You are also allowed to import your account history, allowing potential Followers to see your historic performance with the particular trading account.
