What is a Provider in WB Copy Trading?

WB Copy Trading · https://maintest.windsorbrokers.com/knowledge-base/wb-copy-trading/what-is-a-provider-in-wb-copy-trading/

A Provider is someone who shares their trading strategies with other traders known as Followers. The Followers can then mirror the trading activities of the Provider in their own trading accounts. Providers lay out their trading strategies and create special offers that Followers can subscribe to. These offers will determine the Providers’ compensation, known as the Performance Fee.
